

PIWS Access Ambassador Opportunity

Are you ready to make a positive impact?

BECOME A PIWS ACCESS AMBASSADOR

Do you have a disability and a passion for supporting others?

Join us at PIWS as we create a team of PIWS ACCESS AMBASSADORS to visit tourism venues and contribute to enhancing accessibility for all.

What you'll be doing:

- **Introduction to Accessibility Awareness Workshop:** Attend a one-hour workshop to equip yourself with the knowledge needed to assess accessibility.
- **Flexible Hours:** Your well-being is our priority. Choose your own hours and visit venues when you feel well and able.
- **Select Your Destinations:** Let us know which venues you'd like to visit. Whether it's a local museum, park, or historical site, your insights will make a difference.
- **Share Your Experience:** Send us a review in your preferred format – video, pictures, or written. Your unique perspective will help us create more inclusive spaces.

What's in it for you:

- **Access Card:** Receive an Access Card that opens doors to events across the UK, providing you with more opportunities to explore and enjoy.
- **Support Others:** Learn how to support fellow individuals with disabilities, making a meaningful impact on their lives.
- **Explore Your Community:** Take the opportunity to explore and report back on your local community, contributing to positive change.
- **Volunteer Team:** Join a team of like-minded volunteers and open the door to potential job opportunities in the future.

Ready to embark on this rewarding journey?

Contact us at: admin@piws.co.uk
with your interest and make a difference
as a PIWS ACCESS AMBASSADOR.
